

JESSICA MONTI

Hi! I'm Jessica and I'm 17. I live in Verolavecchia, a small village near Brescia, in Italy. I've been practising speed skating since I was 5; I like it so much! In winter, in addition to skating, I go to the gym. In summer I also practice spearfishing when I go to the sea; I enjoy fishing octopus a lot ! I attend a school specialized in foreign languages; I study English, German and French. English is my favourite of all! I really like travelling round the world, getting to know the languages and cultures of the countries I go to. I like meeting new guys, so, know each other and chat!
Bye everybody, guys! 😊
