

Hello I'm seventeen and I'm attending the third class; I live in Pontevico, a town 100 km far from Milan.

In my family there are six people: my father, my mum, my brother, two sister and me.

I'm tall and thin, I have brown straight hair and my eyes are black.

## MY TEAM

I have been playing volleyball since I was seven.

She is my twin siter

## This is my sister and me

## My school

I'm going to " Don Primo Mazzolari ".

In the school where I am going now, I study 3 foreign languages: English, French and German, but my favorite is German because my uncle lives in Germany so when I go to his house I can talk to him in German properly; I also like physical education, French and English.
