

Italian Institute of high school “P. MAZZOLARI”

- Our Institute "P. Mazzolari" is situated in Verolanuova, a village near Brescia, about 100Km far from Milano. It is a public school, attended by about 400 students, aged from 14 to 19. It is a historical Institute: it was established in 1957. The Institute, currently, includes two branches:
- - Technical Institute of the economic sector with various addresses: Administration, finance and marketing; Informatics systems; International relations in marketing;
- - Lyceum of humanities divided into Human sciences and Social economic.
- The student who are involved in the Comenius project attend the Technical Economic Institute. They study many subjects: History and Italian Literature , Mathematics, Business Administration, Geography, English, French, German or Spanish, Art. But there are a lot additional activities, such as : sports, drama activities, educational trips, meetings with experts in various fields.
- A typical school day consists of six periods, from Monday to Saturday.
- The course of studies lasts 5 years and provides a high school certificate that allows to access to any University.
- Our school is part of a school campus/pole named "B. Pascal" that includes besides our Institute, a Technical Industrial Institute and a Scientific Lyceum.
