

The second mobility from 25 to 30 march 2012 in Budakeszi – Budapest - Ungheria

Departure from Orio airport,
on Sunday at 22.30

/ Welcome to **budapest**

On Monday 26 march, at 8.00:

**visiting Budapest, all its
magnificent squares, churches
and monuments.**

**At 11.00, going back to the airport
to pick up our friends from France.**

In the afternoon, at school in Budakeszi: time to talk and to know each other better, also to play quizzes in international teams. The students have to answer many questions about Europe: culture, history, geography, politics of every partner country...

The teachers team

The jury is very strict...
fortunately there are very nice assistants!

As you can see, from the evidence on right, the teachers team wins... but only at the end, they will be told they were not in the place list.

What a miserable fate!!!

The comparison of the most common stereotypes in every partner country: here the results in graphics. Everyone should think how easy it is to reduce the complex reality into nonsense labels.
